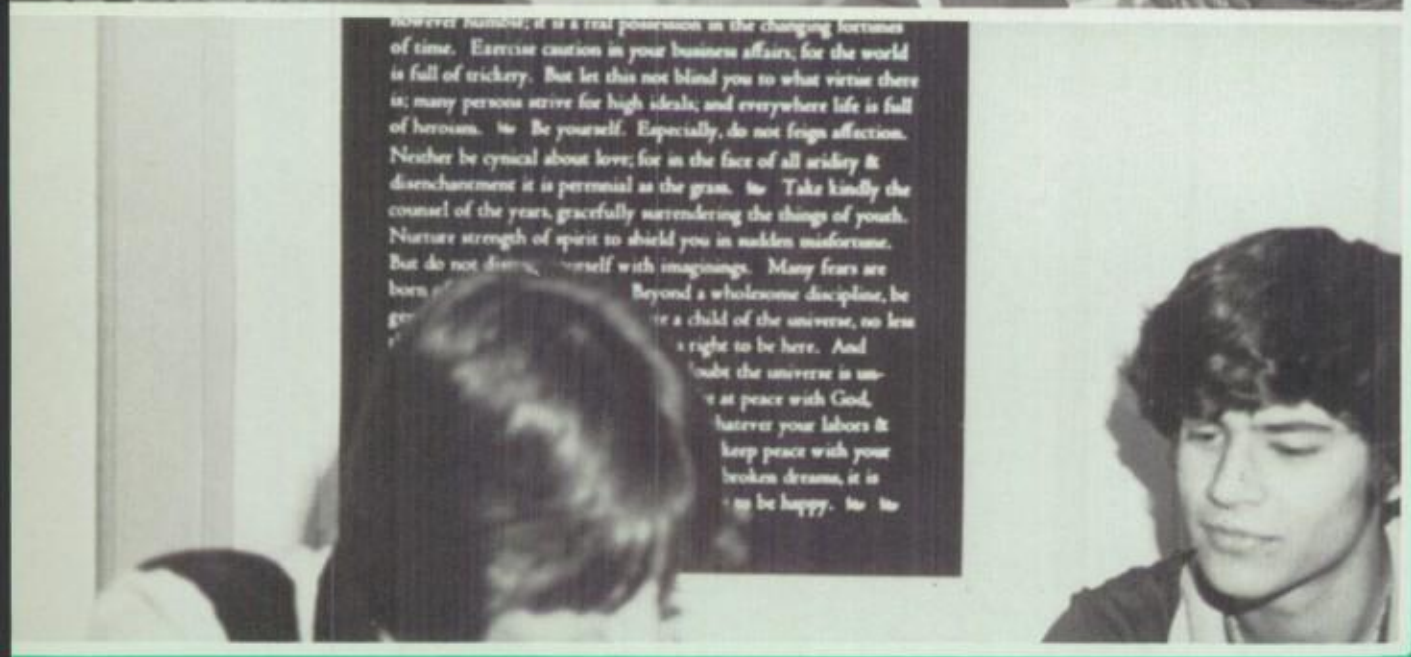
One More Step To



of time. Exercise caution in your business affairs; for the world
is full of trickery. But let this not blind you to what virtue there
is; many persons strive for high ideals; and everywhere life is full
of heroism. Be yourself. Especially, do not feign affection.
Neither be cynical about love; for in the face of all aridity &
disenchantment it is perennial as the grass. Take kindly the
counsel of the years, gracefully surrendering the things of youth.
Nurture strength of spirit to shield you in sudden misfortune.
Beyond a wholesome discipline, be
a child of the universe, no less
right to be here. And
at peace with God,
keep peace with your

Mrs. Constintini is the Senior Class Sponsor. She is working with this class for the first time this year. She "enjoys working with high school kids." Especially the senior class which she says "is a challenge." Some of her responsibilities include, "finding articles for the bazaar, planning the Senior Ditch Day, and arranging for the Senior Trip. When asked what the seniors were like, Mrs. C said, "they are an energetic group of kids I wanted to get to know better." They are often "energetic, stubborn, happy, obedient, and easy to work with."

DESIDERATA

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ❧ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ❧ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ❧ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ❧ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ❧ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ❧ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ❧ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ❧ ❧

Martha E Zaragoza.

Greetings to the Class of 1983,

It is indeed a pleasure to extend my best wishes to this outstanding group of Seniors. You have endeared yourselves to us because of your zest and spirit and wonderful sense of what it means to be a Radford Senior.

Your theme for this year, "Preserving our Traditions", is one that is close to my heart, for without traditions life can be boring and devoid of meaning. The real values of our existence are often found within the traditions we celebrate. How dull your senior year would have been had we not had the Senior Dinner, the Senior Trip, NMMI, Yule Log, May Fete, and many of the other traditional functions of Radford. In these disturbed times, it is more important than ever that we hold fast to our traditions. It is true that "every tradition grows ever more venerable . . . The reverence due to it increases from generation to generation . . . " Your class has shown reverence for the customs of Radford and, for this, you are to be commended. You have set a fine example for those who follow.

I am proud of you and know that you will bring great credit to us in future years. You leave us with many warm memories and I am certain that the ideals of your school will not be forgotten and will be exemplified in all that you attain.

Faithfully,

Phyllis K. Benson

"Working with the Juniors has proven to be a 'hair-losing experience'. The Junior group is enthusiastic, and super-charged with energy running in all directions. I have had to act like a funnel to channel their energy in one direction. They are a fun filled group to work with — AT TIMES!" When Mr. Sell was asked what his biggest responsibility in sponsoring was, he replied, "My biggest responsibility is keeping the lid on far-out money making schemes and making sure each Junior does his part in raising funds for the class."

Mrs. Damon really enjoys sponsoring the Sophomore class. This is the second year she has been in charge of them and says, "They are a good class but rowdy. The two biggest responsibilities in sponsoring the Sophomores," says Mrs. Damon, "are building up the treasury and keeping them off the demerit list."

Although she has very few of them in her classes, she has really gotten to know them well. When asked why she chose this class, she answered, "Dr. Benson asked all the teachers if they would like to sponsor a class, so I requested them as Freshmen last year."

Mrs. Charlotte Nobles is the lower school coordinator. She likes the position very well. The job of coordinator requires her to be the channel of communication between teachers and the administration. She helps plan most of the lower school functions that Radford sponsors. She is responsible for lower school's teachers' meetings and last, but not least, she is responsible for the lower school newspaper.

Even though she enjoys the job of coordinator, her favorite position is being a first grade teacher. She loves the kids and feels they are very special. When asked how she feels about the lower school children she said, "I think we have one of the finest lower schools in the U.S.A. "Character is the glue that holds society together. It has been allowed to dry out. We'll come unstuck right quick if we don't do something about it". The Great

This year the fifth grade class sponsored "The Great Radford Balloon Race." Over a hundred dollars was raised and donated to the zoo. To take part in the race, a balloon was bought for a dollar. A postcard was attached with the name of the buyer. The balloon that was found the farthest away from the school won. The owner of the balloon and the person who found the balloon and sent in the winning postcard both won an E-Bear. There were representatives from the zoo to witness the balloon race. They were given this money to help with the upkeep and feeding of the animals.

THREE

Traditionally every year Radford has New Mexico Military Institute from Roswell, come down to El Paso for the weekend. Arriving on a Saturday morning everyone was introduced to their dates. The Radford students then entertained the cadets by taking them to the movies, skating, or to Cielo Vista Mall. That evening they ate dinner here and, immediately following, a dance was held in Templin Auditorium. On Sunday morning everyone went to church and listened to Mr. Combs and Mrs. Bickley sing while Mrs. Chavez played the piano. Breakfast followed and then the people said their good-byes and exchanged their addresses.

1. Two couples await for the opportune time to join in on the dance floor.
2. Radford students eagerly await their NMMI dates.
3. Gee, how exciting!
4. Victor Kelly Ruffo, Arishdes Guillen, Silvia Trevino, Claudia Calderson, Claudia Cordova, Anrin Prieto, Lourdes Zaragoza, and Miguel Lopez pose for a picture.

7. Maria Romero and Juan Carlos Colin enjoy each others company.

Coach Culbertson stated that he really enjoys being Radford's Sports P.E. Coach. "I didn't think that there would be such a winning spirit in a school this small; it was a nice surprise." When asked how he liked being involved with volleyball and basketball, he remarked, "I like it a lot, however, I wish we had a league to play in. We have lots of fun playing the games."

Senior Wills

I, Rohe Eshbough, leave a Subaru Brat to Norby to get up to those ski slopes. I leave two years of private ski lessons to Melinda Perry (or whatever is needed). To Mark Bebko, he shall receive my large motorcycle collection. To Terence Kissock I leave a computer that he can verbally program math problems. To Kellie, I leave a full size poster of Al Unser's formula race car and thirty acres of land to build a race track. Craig shall receive my exclusive talent as Dr. Benson's squire. Steve Burgess gets the Privilege of receiving all of my photographic abilities.
(W. W. W. W. W.)
All of my abilities to pick up older women goes to Mac Rogers. To all those Juniors that don't think they'll make it, I leave patience and hope. To all others reaching for a goal I leave them this advice: It's a long road getting there, don't take the wrong turn and make it longer. Those who I have known in the past I thank for their willingness to help and support me and be a friend whenever in need.

I, Cassy Sigloh, leave to my little sister, Kathy, the previledge of going out to eat on Thursdays. To My Devil, Casey, I leave three more wonderful years of High School and patience to get through them. To Coach Johnson I leave all of the 7th graders. To Mr. Mundie I leave all the "Dumb Blonde" jokes and the hope of finding another tall, blonde girl he can tease. To Kellie and Melinda I leave my friendship and thanks for all of the outrageous experiences I thought I would never live to tell. To Norbert, Rohe, Mac and especially Todd, I leave my good humor and spirit because witout it you would never have made it through out the year. I leave my height to anyone who really needs it. Last but not least I leave my putt-putt (my car) to anyone who would be stupid enough to take it.

I, Georgina Yanar, leave to my best friend Maru all the happy moments we shared together, so she can remember me when we needed "aire" and when we saw a gray truck with H!!!A driving it. To my little sister, Susana I leave alot of vueltas en la "16." I wish to Vicky alot of "besos" from Sergio, so she can remember "el chisme" at the library. To my devil Patty I leave the best of times when she gets to be a Senior. I leave to all the teachers at Radford all my thanks for their support during my high school years. To Mary and the kitchen staff, I leave all my love so they can remember my "gritos." To Chiquis I leave alot of "minis-kirts" so she can show her legs to Chiro. To Lulu I leave alot of "dedos Gordos" so she can "chuparlos." To Martha I leave lots of "bolsitras" of diet. To Raul and Carolos I leave a new Math book. I bequeth, to my best friend, Sheldon, that great car of mine, the 1970 Buick, and my ability to consume hot dogs, yell for the Diablos, and watch girls at the same time. I leave Mrs. Constantini and the class of '83 all the luck in the world as well as good health, success, and happiness wherever you may go.

I, Manfred Schoning, being of sound mind and body, do hereby leave to Ricky a brand new Gibson "Flying Y" and 1600 watt amplifier equipment. He will also receive enough tickers to go to to every rock concert in town, for the rest of his life. Last he will receive a life size doll of Brooke Shields. To Craig I leave a new Lambourghini Countach, to be driven on the Autobahn in Germany. To my brother Keith I leave two sets of spare hands so he can continue to flick other people when he breaks his fingers. To mi diosa, Susana, the best of happiness, a hug, and a phone to call me for eternity. To Todd, . . . a tank, so he will never get another speeding ticket, or wreck his car. To Terence, my ability to ski and surf with just my feet, my car, my wardrobe, and my G.Q. subscription. To Rohe, my traveling compadre and future neighbor, utmost satisfaction or something by that nature. To Melinda, my thought-sharer, one man in Heaven that will enter through a Door.
